

## **Resolution #5**

**Whereas**, the domestic and foreign mission awareness and activity within the Diocese of Southeast Florida has grown tremendously in the past few years, and

**Whereas**, the annual gathering at Convention creates an opportunity for the entire Diocese to celebrate mission and to accelerate the growth of mission focus, therefore,

**Be it resolved**, that the annual Convention Banquet be established as a Fundraising Banquet for Mission, and the Bishop of Southeast Florida establish a planning sub-committee for such purpose, to include representation from the Executive Board, the World Mission Commission, and the Deanery responsible for that year's convention.
